

SAPC 18302

Copy 3 of 4

13 August 1957

Gentlemen:

Reference is made to your letter dated 27 June 1957 concerning the method of allocation of costs generated by planning and producing Special Engineering Data on the Project.

Your proposal of allocating these costs, collected under work order #44-90, to the Project burden center is approved in principle. Please advise us as to the specific details when available.
